PAYMENT SCHEDULE & DETAILS:

Exchange Rates:

Because the prices published for our programs are set so far in advance of the trip dates, we are occasionally faced with exceptional cost increases and/or currency fluctuations that affect the actual cost of running the trip.
In most cases, no price changes are necessary. However, we do reserve the right to raise or lower the trip price if there is a significant change in costs or exchange rates.
If this is the case, your final invoice, sent out 75 days prior to departure, will reflect the difference in trip prices.
Due to the recent drops in the value of the South African Rand, we are offering exceptional rates on this fantastic luxury trip.
